About us

iEvent Motorsport is a Le Mans-based dynamic, full-service company **specialising in events for OEMs, sponsors, racing teams and partners** currently involved, or planning in the future to participate, in the **Le Mans 24 Hours, the FIA World Endurance Championship or at Motor Shows**.

Our goal is to be a game-changer for clients to become successful, effective and efficient in the execution of their required programmes. Our projects include constructing **pit-boxes, Team, Media and/or Corporate hospitality facilities at circuits, exhibition booths, Road Shows and other B2B or B2C ventures**, not only at Le Mans, but throughout Europe.

Our experience, significant in-house resources and broad network, combine for iEvent Motorsport and its team of professionals to provide a complete turn-key, or partial solution, through just one, convenient one-stop contact.
